

MASTER SERVICES AGREEMENT

This Kombo Master Services Agreement (the “**Agreement**”) sets out the entire agreement which governs the contractual relationship between Customer and Kombo Technologies GmbH, having its principal place of business at Rosenthaler Str. 72 A, 10119 Berlin, Germany (“**Kombo**”) (individually, a “**Party**” and together the “**Parties**”) alongside an Order Form which references this Agreement. Unless defined in the main body of this Agreement, definitions are set out in Appendix 1 to this Agreement. In the event of conflicts between this Agreement and an Order Form concluded under this Agreement, the respective Order Form shall prevail. The terms of this Agreement shall be deemed accepted upon signing an Order Form.

Deviations from this Agreement are only effective if they are confirmed in writing by Kombo. Kombo reserves the right to change these general terms and conditions at any time, subject to a reasonable notice period. After the publication of a notice of change, Customer has the extraordinary right to terminate the Agreement. If Customer does not object in writing within 14 days, the changes are considered approved.

1. Scope of this Agreement.

- 1.1 This Agreement governs the use of the Services (as defined below) as agreed in the Order Form during the Term, for which Customer shall pay the agreed Fees. Any terms and conditions provided by Customer shall not become part of the contract even if Kombo does not expressly object to their inclusion in the respective contractual relationship. Terms and conditions of Customer are binding only upon express written consent by Kombo.
- 1.2 Kombo provides a proprietary software-as-a-service integration solution for platforms such as for HR, payroll and recruiting (the “**Tool**”) which Customer may provide to its customers (“**End-Customers**”). End-Customers can integrate a connection flow provided by Kombo into the Customer Platform by accessing the Tool through the Customer Platform. Kombo offers, if so requested by Customer, additional professional services such as implementation, consulting and/or customization services related to the provision of the Tool (“**Professional Services**”, together with the Tool the “**Services**”).
- 1.3 Upon mutual execution, each Order Form shall be incorporated into and form a part of the Agreement. This Agreement is entered into by Customer for and on behalf of itself and , to the extent specified in an Order Form, on behalf of its Affiliates. If an Affiliate uses the Tool under this Agreement as solely determined by an Order Form, the following will apply: any such Affiliate shall be entitled to perform any of the obligations and exercise any of the rights of Customer under this Agreement, but only Customer shall be entitled to enforce the rights granted to Customer under this Agreement, for and on behalf of such Affiliates. Any act or omission of any Affiliate shall be deemed to be an act or omission of Customer. Any loss, damage, liability, costs and expenses incurred by any such Affiliate, shall be deemed to be incurred by Customer. Any such Affiliate may also enter into a separate Agreement at any time.
- 1.4 Kombo may, from time to time, make available optional product features, modules, or services (such as the AI Apply feature) that are subject to additional product-specific terms or addenda. If Customer elects to activate, access, or use any such feature, the corresponding addendum (including the AI Apply Addendum) shall automatically be incorporated into and form an integral part of this Agreement. In the event of a conflict between the main body of this Agreement and a product-specific addendum, the addendum shall prevail solely with respect to the processing and functionality of that specific feature.

2. Access and Right to Use the Tool

- 2.1 During each Subscription Term Kombo grants Customer a royalty-free, nonexclusive, non-transferable and non-sublicensable right to use the Tool as set forth in each Order Form, solely in accordance with all applicable Documentation and this Agreement, including any limitations and restrictions set forth on each applicable Order Form (together, the “**Subscription**”).
- 2.2 Customer's right to use the Tool under this Agreement does not grant any exploitation rights, in particular but not limited to any right of reproduction (sec. 16 German Copyright Act (*Urhebergesetz*), right of distribution (sec. 17 German Copyright Act), right of exhibition (sec. 18

German Copyright Act), right of recitation, performance, and presentation (sec. 19 German Copyright Act), right of making works available to the public (sec. 19a German Copyright Act), right of broadcasting (sec. 20 German Copyright Act) or any right of adaptations and transformations (sec. 23 German Copyright Act).

3. Kombo Obligations

- 3.1** Kombo is responsible for providing the Tool in conformance with and subject to the terms of this Agreement, the Order Form(s) and Documentation. The Tool connects Partner Applications with the Customer Platform via an API to enable the transfer of End Customer Data between the Partner Application, Kombo, the Customer Platform, and other third party applications as instructed by Customer. Use of the Tool requires Kombo to store and process Customer Data and End Customer Data, and to share with Partners the company names of Customer and End Customers that are using the applicable Partner Application.
- 3.2** Unless otherwise agreed in the Order Form, Customer is responsible for the initial technical setup and validation of the Tool, as well as for any adjustments and/or additions of data points, sources, or targets.
- 3.3** Subject to Customer's payment of all applicable Fees, Kombo will provide support, maintenance, and uptime for each Service in accordance with the support package outlined on the applicable Order Form (if any). Customer will send any support requests to Kombo via email to: support@kombo.dev.

4. Customer Obligations

- 4.1** No later than the Start Date, Customer will provide such access to the Customer Platform as is necessary to enable the Kombo Integration(s) via APIs. Customer must create, and maintain during the Subscription Term, its own account with Partners if required to enable the Kombo Integration(s). The system requirements necessary for the provision and operation of the Tool are to be continuously monitored by Customer on its own responsibility.

- 4.3** Customer will notify the End Customer that Kombo will be processing End Customer Data as part of maintaining the Kombo Integration(s).
- 4.4** Customer will use the Tool only in accordance with this Agreement, the Documentation and with all applicable laws, including procurement and maintenance of any applicable licenses, permits and consents. 6. Data License and Protection

- 6.1 Kombo acknowledges that, as between Kombo and Customer, Customer owns all right, title, and interest, including all Intellectual Property rights, in and to Customer Data.
- 6.2 In connection with its use of the Tool, Customer will transfer Customer Data and enable the transfer of End Customer Data to Kombo. - 6.3 Customer acknowledges that Kombo is only a technical service provider and processes data and/or information arising within the scope of the Agreement, especially End Customer Data, only on behalf of Customer. It is Customer's sole responsibility to operate the Tool in compliance with the applicable laws, in particular, Customer guarantees that any processing of personal data and/or personal information complies with applicable data protection laws. If the performance of the Services ordered by Customer creates additional obligations on the part of Kombo, Customer shall inform Kombo prior to the performance of the Agreement of such obligations.
- 6.4 Kombo will process all Customer Data and End Customer Data for the purposes set forth in this Agreement and in accordance with the Data Processing Agreement within the meaning of Article 28 para. 3 GDPR which is an integral part of this Agreement.
- 6.5 Notwithstanding anything to the contrary in this Agreement, Kombo may collect and use Usage Data to develop, improve, support, and operate its products and services.
- 6.6 Customer shall indemnify and hold Kombo harmless from any third-party claims, damages, liabilities and expenses (including attorney's fees and other legal costs) which result from or are incurred by Kombo in connection with any breach made by Customer with regard to Customer Data and End Customer Data.

7. Intellectual Property Ownership

- 7.1 Customer is and remains the exclusive owner of all right, title and interest (including without limitation the Proprietary Rights) in and to Customer Data and Customer grants Kombo all rights stated under Section 6.2. All Intellectual Property based on findings and innovations developed by Customer in the course of using the Services shall be owned by Customer.
- 7.2 To the extent Customer provides feedback regarding the Tool, Kombo's products, business or development plans, or technology roadmaps, including, without limitation, ideas, comments or suggestions regarding the possible creation, modification, correction, improvement or enhancement of the Tool or other products and any documentation and information thereof shared with Kombo (collectively "**Feedback**"), Customer hereby grants Kombo, to the extent legally possible, a worldwide, perpetual, irrevocable, royalty-free license to use and incorporate such Feedback for any legitimate business purpose without restriction. Kombo is under no obligation to use the Feedback.
- 7.3 Customer acknowledges and agrees that Kombo owns all Intellectual Property rights in the Tool, the Documentation and Intellectual Property based on findings and innovations developed by Kombo in the course of providing the Services ("**Kombo IP**").
- 7.4 Except for the limited rights and licenses expressly granted under this Agreement, nothing in this Agreement grants, by implication, waiver or otherwise, Customer, its Affiliates or any third-party any Intellectual Property or other rights or licenses, titles, or interest in or to Kombo IP. Kombo reserves all rights not expressly granted to Customer in this Agreement.

8. Updates

- 8.1 Kombo may add new features and updates to the Tool at any time. Furthermore, Kombo may modify the Tool, including without limitation by removing or changing existing features of the Tool ("**Change**"), to the extent such Change is reasonable for Customer. Changes shall in particular be deemed reasonable if they only concern insignificant Components of the Tool (e.g. changes to the design or layout that do not or only slightly affect the functionality of the Tool), or if they do not interfere with the Services to be provided under this Agreement. Notwithstanding

the foregoing, Kombo shall at all times preserve the main characteristics of the Tool according to each Order Form and fulfill major obligations under this Agreement and the applicable Order Form.

- 8.2** Changes provided by Kombo from time to time shall be in Kombo's sole discretion and shall not create any obligation of Kombo to provide further updates in the future.

9. Fees and Payment

- 9.1** The fees payable by Customer for the Services are defined in the Order Form or any additional agreement between the Parties from time to time (as applicable) ("**Fees**").
- 9.2** All sums due to Kombo under or in relation to this Agreement are exclusive of any Sales Tax which shall be charged additionally in accordance with the relevant regulations in force at the time of making the relevant taxable supply and shall be paid by Customer in full at the same time as payment is due under the relevant invoice.
- 9.3** Except as otherwise stated in the Order Form, payment of the Fees shall become due annually starting at the beginning of the Subscription Term within thirty (30) days following receipt by Customer of a due invoice.
- 9.4** Any Fees not paid when due shall accrue statutory default interest from the due date until payment is made, whether before or after judgment. Kombo can deny access to the Tool temporarily until overdue payments have been received (without prejudice to any other rights it may have).
- 9.5** Customer may withhold payment of particular Fees (or elements of them) that it reasonably disputes in good faith within 10 business days from the date of the invoice on the basis that Kombo has not performed in accordance with this Agreement and/or the applicable Order Form. Customer may not withhold payment for any non-disputed element of Fees. Customer must raise such dispute within the time for payment of that invoice, failing which such invoice shall be deemed to be undisputed and no amounts may be withheld.

10. Term and Termination

- 10.1** This Agreement takes effect on the Start Date of the first Order Form signed in connection with this Agreement and will remain in effect until all applicable Order Forms have expired or been terminated (the "**Term**").
- 10.2** The Subscription Term starts on the Start Date set forth on the Order Form and continues for so long as there is an active Subscription. Each Subscription Term shall renew automatically for succeeding terms of one (1) year each, on the same terms that are in place on the renewal date excluding any discounts, unless either Party gives written notice to the other at least thirty (30) days prior to the anniversary date of such Subscription Term, or unless the Subscription Term is terminated as provided in Section 10.4 below.
- 10.3** Customer's right to terminate the Agreement for convenience (*ordentliche Kündigung*) shall be excluded during the Subscription Term.
- 10.4** Either Party may terminate this Agreement or any active Subscription for cause upon 30 days written notice to the other party of a material breach if such breach remains uncured at the expiration of the 30-day period. Kombo may terminate this Agreement, if Customer falls behind in payment of any amount invoiced for more than six (6) weeks. Each Party's statutory rights of termination for good cause shall remain unaffected.
- 10.5** If Customer terminates this Agreement or any active Subscription in accordance with Section 10.4, Kombo will reimburse Customer on a pro-rata basis for any pre-paid Fees allocable to the remaining Subscription Term as of the date of such termination. Upon termination or expiration of this Agreement for any reason, Kombo will, upon written request, delete all Customer Data and any End Customer Data processed on behalf of Customer during the Subscription Term.

11. Confidentiality

- 11.1** From time to time during the Term, either Party may disclose or make available to the other Party information about its business affairs, products, confidential intellectual property, trade secrets, third-party confidential information, and other sensitive or proprietary information, whether orally or in written, electronic, or other form or media, and to the extent marked,

designated or otherwise identified as "confidential" (collectively, "**Confidential Information**"). Confidential Information does not include information that, at the time of disclosure is: (a) in the public domain; (b) known to the receiving Party at the time of disclosure; (c) rightfully obtained by the receiving Party on a non-confidential basis from a third party; or (d) independently developed by the receiving Party.

- 11.2 The receiving Party will not disclose the disclosing Party's Confidential Information to any person or entity, except to the receiving Party's Affiliates or its Affiliates' legal representatives, employees or agents who have a need to know the Confidential Information for the receiving Party to exercise its rights or perform its obligations hereunder.
- 11.3 Notwithstanding the foregoing, each Party may disclose Confidential Information to the limited extent required in order to comply with the order of a court or other governmental body, or as otherwise necessary to comply with applicable law, provided that the Party making the disclosure pursuant to the order will first have given written notice to the other Party.
- 11.4 This Section 11 shall survive the expiry or termination of this Agreement for two (2) years after such termination.

12. Liability for Defects

- 12.1 Kombo represents and warrants to Customer that during the Subscription Term (i) it has the power to grant Customer the rights set out in the Agreement; (ii) the Services will be provided with reasonable skill and care, (iii) the Services provided by Kombo shall conform to all relevant product information and specifications provided by Kombo to Customer, including information and specifications in the Documentation, and (iv) Kombo shall not materially decrease the functionality of the Tool.
- 12.2 Customer is advised that based on the current state of the art technology program Incidents cannot be excluded with certainty in spite of exercising greatest conscientious care and diligence. The Parties acknowledge that the Tool is inherently complex and may not be completely free of Incidents. Immaterial Defects, including but not limited to Incidents that can be easily corrected and will not cause a performance defect, shall be excluded from Kombo's warranty.
- 12.3 Customer shall be obliged to document and notify Kombo of any Defects without undue delay upon their discovery.
- 12.4 Subject to Section 12.5, and notification of such by Customer, if the Tool does not comply with the warranty in Section 12.1, Kombo will, at its discretion, use reasonable endeavors to correct such Incident promptly, or will provide Customer with alternative means of carrying out the task which it was carrying out using the Tool.
- 12.5 In the event that Kombo: (i) fails to properly provide Professional Services, or (ii) is in breach of contract which breach does not consist in an Incident of the Tool, Customer must notify Kombo in writing and set Kombo a reasonable time period to properly perform its duty or otherwise remedy the breach. Other remedies of Customer for failure of subsequent performance are excluded.
- 12.6 Kombo will rectify a Defect (which may also occur via workaround) if such rectification does not entail unreasonable effort. If Kombo fails to rectify the Defect within an appropriate period of time allowing for at least two attempts of rectification, Customer shall be entitled to terminate the Agreement immediately for good cause (*außerordentliche Kündigung aus wichtigem Grund*). This does not apply for Immaterial Defects which do not significantly impair usage of the Tool.
- 12.7 The responsibility of Kombo is excluded if a Defect results from the non-observance of operating conditions for the Tool or unauthorized modifications made by Customer.
- 12.8 The terms of Appendix 2 apply.

13. Liability for Damages

- 13.1 Claims for damages against Kombo are excluded regardless of the legal basis, unless Kombo, its legal representatives or vicarious agents (*Erfüllungsgehilfen*) have acted with intent (*Vorsatz*) or gross negligence (*grobe Fahrlässigkeit*). Kombo shall only be liable for slight negligence (*einfache Fahrlässigkeit*) if Kombo or its legal representatives or vicarious agents

have violated an essential contractual obligation (*Kardinalpflichten*). Essential contractual obligations are those obligations which form the basis of the contract, which were decisive for the conclusion of the contract and on whose fulfillment Customer relies. Kombo shall only be liable for foreseeable damages, the occurrence of which must typically be expected and it shall in no case be liable for consequential damages including loss of profit. Kombo's maximum liability with respect to any claims due to the breach of an essential contractual obligation in each twelve (12) month period commencing on the Start Date (and on each anniversary thereafter) will not exceed the fees paid and payable to Kombo for the provision of the Tool under which the claim arose during such twelve (12) months, as well as losses whose origination must be typically anticipated in connection with the specific Services used.

- 13.2 The above exclusions and limitations of Kombo's liability for damages do not apply to damages incurred by Customer due to (i) culpable injury to life, body, and health, (ii) which arise due to the assumption of a guarantee or (iii) according to the German Product Liability Act (*Produkthaftungsgesetz*).
- 13.3 Kombo shall not be liable for the loss of data insofar as the damage was caused by Customer's failure to carry out data backups and thereby ensured that lost data can be restored with reasonable effort.
- 13.4 All contractual and non-contractual claims for damages or vain expenditures against Kombo shall be time-barred after a period of one (1) year. The period of limitation shall commence in accordance with section 199 (1) German Civil Code. The period of limitation shall, at the latest, be deemed completed five (5) years after the claim arose. This Section shall not apply in the case of willful misconduct, gross negligence or in view of personal damages under the Product Liability Act.

14. Marketing

- 14.1 Subject to Customer's prior written consent, Kombo may use Customer's name and logo to refer to Customer as customer or as a reference for marketing purposes.
- 14.2 Kombo may, with further approval of Customer, prepare, publish and distribute for its business purposes, one or more case studies describing any or all Services received by Customer. Case studies can be published by Kombo by any means without any restrictions as to media or recipients. Customer can request a draft version of a case study and request reasonable changes. Customer's approval shall not be withheld unreasonably.

15. Miscellaneous

- 15.1 Kombo may delegate the Services to third parties, including those specified in the Data Processing Agreement, Kombo's Affiliates and as otherwise agreed with Customer in writing. Kombo remains responsible for the performance of Kombo's obligations under this Agreement notwithstanding any such delegation.
- 15.2 This Agreement shall not grant any rights to, and is not intended to operate for, the benefit of third parties (other than the Parties) unless otherwise explicitly provided in this Agreement. Notwithstanding any term of the Agreement and statutory law, the consent of any person who is not a Party shall not be required to rescind or vary the Agreement at any time.
- 15.3 Kombo may at any time upon written notice to Customer assign or otherwise transfer Kombo's rights and obligations under the Agreement (including any Order Form) to any of Kombo's Affiliates or in connection with the sale of all or substantially all of Kombo's assets (or any analogous arrangement). Any attempt to otherwise transfer or assign the Agreement will be null and void.
- 15.4 Should any individual provision of the Agreement be or become partly or fully invalid or unenforceable, or should the Agreement contain any gap, this shall not affect the validity and enforceability of the remaining provisions. Instead of the invalid or unenforceable provision, or in case of gaps, a provision which corresponds to what would reasonably have been agreed in accordance with the intention and purpose of the Agreement, if the Parties had been aware of the invalidity or unenforceability of the provision or of the gap shall be deemed to have been agreed. If invalidity or unenforceability of a provision is caused by a measurement of performance or time (period or severability) set forth therein, the respective provision shall be deemed agreed with a legally permissible measurement reaching as close as possible to the

original measurement. It is the explicit intention of the Parties that this severability Clause does not result in a mere shifting of the burden of proof (*Beweislastumkehr*), but that sec. 139 German Commercial Code shall in its entirety be agreed as not applicable.

- 15.5** All notices hereunder shall be in writing and shall be deemed to have been given upon: (i) personal delivery, or (ii) one business day after sending by email. Emails to Kombo shall be directed at support@kombo.dev, and emails to Customer shall be addressed to the administrative contact designated in the Order Form. Notices relating to a Party's indemnity obligations must be sent by registered mail and email.
- 15.6** The Agreement shall be governed exclusively by the laws of the Federal Republic of Germany excluding German conflict-of-laws rules. The United Nations Convention on Contracts for the International Sale of Goods shall not apply.
- 15.7** This Agreement is to be interpreted exclusively in accordance with German law and usage of terminology. This includes the legal concepts and terms contained in the Agreement, the English translations of which may not be identical with the original German terms in their respective legal understanding. Terms to which either in the same provision or elsewhere in this Agreement a German translation has been added shall be interpreted as having the meaning assigned to them by the German translation.
- 15.8** The competent courts in and for Berlin, Germany shall, to the extent legally permissible, have the exclusive jurisdiction for any disputes arising out of or in connection with the Agreement.

Credits are exclusive of any applicable taxes. Any Credits issued pursuant to these terms will be applied towards the invoice for the month following the calendar day on which Kombo receives Customer's Credit request.
